ABOUT IISER BERHAMPUR

Nurturing Scientific Excellence. Inspiring Tomorrow's Innovators.

Established in 2016 under the Ministry of Education, Government of India, IISER Berhampur is an Institute of National Importance committed to excellence in scientific education and interdisciplinary research. With worldclass infrastructure, cutting-edge laboratories, and a vibrant academic ecosystem, the institute nurtures curiosity, innovation, and critical thinking.

Offering BS-MS, Integrated PhD, and PhD programmes, IISER Berhampur seamlessly integrates classroom learning with research, empowering students to become future scientists, innovators, and leaders. Nestled along the scenic coastline of Odisha, the institute provides an inspiring environment where academic excellence, collaboration, and holistic development thrive together.

At IISER Berhampur, curiosity is not merely encouraged — it is cultivated into discovery, innovation, and meaningful impact on society.

ABOUT Invenio?

Invenio is the flagship annual science festival of IISER Berhampur, bringing together students, researchers, educators, innovators, and industry leaders to celebrate scientific exploration and interdisciplinary collaboration. Through keynote lectures, research symposia, workshops, competitions, exhibitions, and interactive sessions, Invenio inspires participants to question, innovate, and transform ideas into meaningful discoveries while connecting academia with industry.

Theme of the year **Curiosity: The Genesis of Origin**

Every scientific breakthrough begins with a question. "Curiosity: The Genesis of Origin" celebrates the spirit of inquiry that has driven humanity's greatest discoveries from understanding the origins of life and the universe to shaping the technologies of tomorrow. The theme encourages participants to think beyond boundaries, embrace interdisciplinary learning, and explore the fundamental questions that inspire innovation and scientific progress.

Every discovery begins with curiosity. Every question opens the door to a new possibility.
